

Ronald McDonald House Door Décor

Bring smiles to our families' faces by decorating the doors on one of our residence floors. Decorations may be holiday and/or seasonally themed. Schedule to door decorate in late March for Spring, late May for Summer, mid-September for Fall, and mid-November for winter.

- ♥ Ronald McDonald House Pittsburgh Door Décor can take place 7 days a week 9 am to 8 pm.
- ♥ After scheduling a date with the Volunteer Coordinator, an event confirmation form must be filled out and emailed, mailed, or faxed to the Volunteer Coordinator within four business days.
- ♥ A maximum of 10 individuals (including children) may attend.
- ♥ Only RMH Pittsburgh Apartment doors may be decorated in the residence halls.
- ♥ Doors are magnetic. Please provide magnets to adhere decor to the doors. Please do not use tape or sticky tack. Please consider the weight of your decor, as heavy items tend to fall off of doors.
- ♥ RMH Pittsburgh Apartment door sizes are 36 in. x 80 in. There are 10 doors per floor.
- ♥ No religious themes may be used.
- ♥ Please notify the Volunteer Coordinator if you plan to donate décor to RMH Pittsburgh or schedule a time to pick items up after the season. (we cannot store decorations)

RMH Pittsburgh Door décor is an excellent way to bring smiles to our families faces. These decorations and themes promote a caring and uplifting environment for our families during a difficult time. Thank you from the bottom of our hearts for helping us keep families with sick children together when they need it most.
