

# Ronald McDonald House Pittsburgh: Meal Suggestions

## Things to Consider:

- ♥ Would you like some ideas on what to plan for your meal? While spaghetti and tacos are easy to prepare, they are served frequently at the House. Check this list of suggestions that have worked well in the past. You may use any of the following ideas or feel free to prepare something you don't see on the list.
- ♥ Please provide a complete meal for our families with sides and a main course. Do you have a recipe that has been in your family for generations or are you known for a signature dish? We'd love for you to share it with us! Check out the ideas below for meal inspirations!
- ♥ Please notify our Volunteer Coordinator when you decide on your menu (ideally one week or more in advance to avoid providing a duplicate dinner).
- ♥ Our most popular meals served to our guests are spaghetti with red sauce and a taco bar. If you would like to sign up to prepare either of these meals, please reach out to the Volunteer Coordinator to make sure this meal is not already being served.
- ♥ Please consider a lunch or dinner that does not consist of breakfast items. We request this because breakfast items are served frequently throughout the week at breakfast time.
- ♥ Please keep in mind that lunch and dinner menus can be used for either lunch or dinner.
- ♥ There are no food restrictions. Ingredients do not need to be displayed, however, be prepared to verbally offer a list of ingredients in case of food sensitivities/allergies. Providing a vegetarian option is not required but is much appreciated due to the many cultures at the Charity.
