

WELCOME BAGS

Welcome bags are a great project/donation for groups that would like to include young volunteers, or large corporate groups looking to get the whole office involved. Welcome bags are always accepted and appreciated! We thank you for your donation!

BAG THEMES:

Comfort Bag

Small blanket and/or pillow, cozy stuffed animal, small pack of tissues, hand sanitizer, adult activity book, journal, moist towelettes, new/current magazines, small decoration or uplifting sign

Busy Bag

Craft kits (any age), puzzles, games, gender neutral interactive toy, crayons or markers, pens

No Time To Pack Bag

Shampoo/conditioner, toothbrush/toothpaste, deodorant, body lotion, body wash, loofah etc.

Snack Bag

Bottled water, chips, crackers, gummies etc.

Breakfast Bag

Juice box, granola bar, individual cereal box, sealed individual fruit cups, mini muffins etc.

Laundry Bags

Laundry pods, dryer sheets, tide pen/stick (other stain removers), reusable laundry tote

WELCOME BAG GUIDELINES:

- Feel free to prepare 1-200 welcome bags at a time. If you'd like to prepare more, please contact Kara Kimble (contact info below).
- Welcome bags are to be assembled off-site.
- Your group can choose the contents of the bags for our families. Contents are not limited to the list above. Be as creative as you'd like!
- Please list bag contents directly on bag if it is disposable. (Writing them on the bag or stapling a sheet with contents is preferred).
- Bags can be either disposable or reusable. Decorating disposable bags before filling them is also a fun group project for groups of any age. Reusable bags are always a nice bonus for families that may need to tote things back and forth to the hospital.
- All contents must be new, individually wrapped (when appropriate), unexpired and factory sealed/prepackaged.
- Please do not include religious, political or cause related items in the Welcome Bags.
- Large welcome bag donations will require a drop off appointment.

For more information, to find out our current greatest needs, and/or to schedule a welcome bag drop off appointment, please call Kara Kimble at 304-322-2073.
