MAKING A HOUSE A HOME

Sponsoring a space at our Houses provides individuals and groups with the opportunity to help provide caring and practical support to families during an incredibly stressful time.

HOW YOUR APARTMENT SPONSORSHIP MAKES A DIFFERENCE

APARTMENTS

When staying in one of Ronald McDonald House Pittsburgh's 74 single-bedroom apartments, families are asked to contribute just \$20 a night but are never turned away due to an inability to pay. When the actual cost to host one family for one night is closer to \$95, donations help support the necessities in each apartment. From a kitchenette for medication and dietary restrictions, to thermostats providing unique room-to-room comfort, to the pull-out couch encouraging downtime while providing additional sleeping arrangements for a larger family support network. The family living spaces at Ronald McDonald House Charities of Pittsburgh and Morgantown provide a sense of

security to caregivers who know they will be able to stay close to their child receiving medical care. **Your sponsorship of \$1,200 will help cover expenses for keeping the space well-maintained and ready to welcome families for a full calendar year. We will also put up a plaque in front of your sponsored room in recognition of your generous gift.**
