In-Kind Donation Drop-Off & Unloading

- For the protection of our immunocompromised families, we are only able to accept brand-new items.
- Drop-off hours are 7 days a week. We ask that large drop-offs be pre-scheduled M-F before 7 pm.
- Please call our front office/Guest Relations team when you are on your way. This gives our staff a heads-up that you will be arriving (412-246-1105).
- Please see the map to locate our "Drop-Off Zone" in front of RMH Pittsburgh. To drop off donations, please park temporarily in our fire lane outside of the front door, next to the Ronald McDonald Statue. Next, place your hazard lights/blinders on. The front door will be locked, please press the call box button & say you are here with a donation. A staff member will be down to greet you with a cart (if needed). Your assistance with loading the cart is appreciated. *Please note that we are operating with a small staff. We thank you for your patience as there may be unloading delays.
- We request that you please fill out a donation drop off form upon arrival, so we can properly acknowledge your/your group's kindness & generosity.
- Donation drop-off's will be curbside due to the ongoing pandemic environment and our families' compromised immune systems. Please come prepared to drop off your donations outside, unless our staff requests your support. If your support is requested inside the building, please make sure you are healthy, without any visible signs of illness.
- Drop-Off Zone is for unloading only. Parking longer than 10 minutes may result in a ticket.
