

What a way to celebrate!

On July 10th, Ronald McDonald House Charities of Pittsburgh and Morgantown celebrated 45 years of supporting families!

A huge thank you to everyone who made our 45th birthday celebration special! Thank you McDonald's of Three Rivers for the wonderful lunch and cake for our families. Families also enjoyed a paint party, painting their own 45th cupcake picture.

From the wonderful lunch and family paint party to a special Open House reception, there were tons of smiles and plenty of Birthday wishes, too. Sharing moments with friends, volunteers and partners was a meaningful way to reflect on what makes RMHC so special—people! At the heart of it all, it's people. Additionally, to commemorate this incredible milestone, Pittsburgh Mayor Edward Gainey's Office and Allegheny County Executive Sara Innamorato proclaimed the date as Ronald McDonald House Charities of Pittsburgh and Morgantown Day. These proclamations celebrate the Charity's past, honors its present and inspires its future.
