

RMH Pittsburgh Holiday Season Wish List

Thank you so much for your interest in donating in-kind items to Ronald McDonald House Pittsburgh this Holiday Season! While toys are a welcome donation and a wonderful gift this time of year, other items are at the top of our list of needs while our house is usually full. Please see the following list of items that help us keep our house filled with the comforts of home so that families can focus solely on the well-being of their child.

Only new and unexpired items will be accepted for the health and safety of our families.

Environmentally friendly products are appreciated, please no Styrofoam products.

***If your group has already decided to collect toys, please keep the families with newborns and infants in mind, as well as young adults aged 13-21yo. Holiday items for these ages would be appreciated. ***
